A Therapeutic After School Program
for Kids & Teens with Brain Injury

Special Tree's unique program empowers students with academic strategies and life skills for success at school, at home, with friends, and in the community.

Program runs **September through May**, weekdays from 4pm - 6pm at our Romulus and Troy locations.

- Academic Support and Tutoring
- After School Programming
- Transitional Education Services
- Outpatient Therapy
- Customized, Individual Rehabilitation
- Pre-vocation Skills and Job Readiness
