

WE BELIEVE IN
you

**WE WANT TO HELP YOU
REACH YOUR HIGHEST
POTENTIAL**

Whether your goal is to build skills, find work, or earn a college degree, our caring vocational specialists are here to help. We'll create a rehabilitation program designed just for you.

Vocational Rehabilitation

CUSTOM PROGRAMS TO HELP
YOU ACHIEVE YOUR GOALS

Special Tree exists to provide hope, encouragement, and expertise for people who have experienced life altering changes. Our comprehensive rehabilitation programs for adults and children have earned CARF, Joint Commission, and the Michigan Quality Council's highest honors. Helping you find increased independence and a smooth path to recovery is our top priority.

keep in touch to

ensure long term achievement

LET'S GET DOWN TO BASICS

We help you develop the right skills to get and keep a job, such as:

- Following Directions
- Sequencing Tasks
- Maintaining a Schedule
- Attention to Detail
- Interaction with Coworkers + Customers
- Attendance and Punctuality
- Physical Stamina and Endurance
- Time Management
- Job Modifications + Adaptations
- Navigating Transportation

Special Tree Vocational Specialists break tasks down to the simplest steps. This gives everyone the opportunity to work, whether you do one part of a job or many.

WE'RE IN IT TOGETHER

With the right skills in place, you're ready to earn a paycheck. Together we'll tackle resumes, interviews, online applications, job searches, and coaching. We start fresh with each and every person to help find the best placement for long term success.

WE WON'T LET YOU DOWN

Our work doesn't end when you find employment. We'll support you in whatever way you need. From ongoing coaching to a monthly phone call to monitor progress, answer questions, or address concerns—Your goals are our mission.
